Join the Fielder Birthday Book Club!

Anyone can participate in the Fielder Birthday Book Club! Parents, aunts, uncles, grandparents, and friends can celebrate a special child by donating a book to our library in the child's honor.

Watch our shelves fill with new books that you will just love! Just fill out the form and turn it into your child's teacher.

Summer birthdays are invited to participate any time of the year. You may choose to celebrate your child's half-birthday!

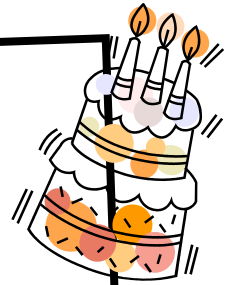

Here's How it Works!

1. At the beginning of the school year, please send a check for \$15.00 (to assist with the cost of the book) and this completed form to the library. We will add your child's name to our birthday calendar!
2. We will make every effort to have your child select their book during their birthday month. He/she will be invited to the library to select a new book from our Birthday Book Club Collection.
3. A book plate will be placed in the book indicating that the book was donated in your child's name and will include the date.
4. The birthday child will receive a "Birthday Book Club Member" tag, and will be the first student to check out the new book!
